Booth design

For each IAA committee, please design the desired booth design in the box below.

- 1) Standard booth layout : white booth (3 m x 12 m), 4 m height, and basic lighting.
When requesting additional booths (3 m x 3 m), each IAA committee will bear the expense.
- 2) When an IAA committee of each country requests special booth design, the host country's organizing body will provide the requested design (floor, back panel's height, colors, and digital works).
(However, any expense for this additional design will be the responsibility of the IAA committee that made the request)
- 3) In case you want a special booth, please consult with the organizing body of the host country (through fax, email, or website)
